	Name: Chris Yun City of birth: Seoul Country of birth: South Korea

All about me: Hi my name is Chris Yun and I'm the second and last kid in my family. I lived my   most life in korea. I came to canada on 2014 march. In South Korea every years we are visit Family members in grandparents house and eating good foods then the adult are giving money to kids then i get so much money for free.

Korea have so many places to hanging out with friends.

I was fill that canada has no places to hanging out with friends and canadians are friendly and really kind.
