I'm from South Korea. And I've been Canada almost 5 years now. Me and my family landed town called 'Wainwright' this town is located Alberta and 2 hours far from Edmonton. I like sport and martial Arts. my favorite sport is Badminton, Swimming, Curling, Taekwondo(1st degree Black belt, training 7 years). . . etc. I can speak Korean, English, little bit Japanese. And I really enjoy build or make something. Before I come to Canada, I don't have a chance to use English and I have no idea i will use English. My first school in Canada is challenge to me. Because that time my English is really really bad, so i only can answer few. I studied English for survival. So now I'm way better than 5 years ago. 2 months later, I will be grad high school. And i will keep going forward for my future. My plan is applying TRU Police & Justice course and try to become RCMP or City Police.
