All about me:

My name is Maggie, I'm 17 years old is a senior high school student now. I live in Taiwan, Taipei, Taipei is a very big city and always be noisy but taiwaniess people are very friendly. In Taiwan there have many night markets and a lots of delicious foods, like stinky tufu it smells not good but when you taste it it was amazing, also have much of good foods you have yo try it.

There are four people in my family, my mom , dad, younger brother and me. My mom looks like tiger when she was angry, but she will buy anything I want for me. My dad he is a very kind person , I was scared of him when I was a child, because when he be angry he will become another person and sometimes he will hit me, but now he always talked to me doesn't angry so I feels so happy. My younger brother is 14 years old, I don't like him very much, because he always make me unhappy , when he at home he just do two things. One is play the video games the other one is play the cellphone and watch some videos or listen to music.

In Taiwan I studied in YUDA senior high school, I choose about tourist for me , and in the school everyone are cute , there is like a big family and important is the boys are really handsome the girls are beautiful and cute. I am very dismay to leave them along when I have to go to Canada, all of them blessing me to study well and they will waiting for me back to Taiwan.

I have some hobbies, I like listen to the music, when I listen the music sometimes it will make me happy, sometimes I feel sad. I also like to do some exercise like swimming , when I'm swim I can forgot the bad things and I can reduce my weight this is good for me. I like to play the guitar , I want play the guitar well and I can sing the song for guitar .

I just stay in Canada only three months, I think here is very boring place before come to here and I'm scared because all of people are speak English. And when I arrived here it is amazing to me here is very beautiful and everyone is kind , I really want to learn English well in here.
